Dedication | Quick Learner | Reliability | Confidence | Critical Thinking | Passionate

EDUCATION

University of Texas at El Paso – El Paso, Texas
Bachelor of Science in Computer Science
Minor on Mathematics

2021 – Present
Expected Graduation: Dec 2025

SKILLS

Design, develop, debug, execute and refactor computer programs in the following languages:

Golang, Python, Java, C, Scala, Dart, HTML, JavaScript, CSS.

Frameworks & Platforms: Spring Boot, Node.js, Flutter, Netlify.

Database Management Systems: MySQL.

Version Control Systems: Git.

Build Tools & Automation: Maven.

Documentation: JavaDoc.

PROJECTS

Tic Tac Toe Game – *Python*.

Description:

- Developed an interactive console-based Tic Tac Toe game in Python to simulate a classic two-player game with a focus on fundamental programming constructs and user interaction.
- Implemented game logic to handle user moves, computer moves using simple random selection, and checks for game-ending conditions.

[Professional Portfolio Website](#) – *HTML, CSS, JavaScript, Netlify*.

Description:

- Developed a responsive, multimedia-rich professional portfolio website to showcase a diverse range of software development projects, technical skills, and creative work. The portfolio is designed to provide a comprehensive view of my capabilities to prospective employers, clients, and peers in the tech industry.

WORK EXPERIENCE

Wendy's Company – *El Paso, Texas*

08/2021– Present

Shift Manager

- **Customer Service:** Providing excellent service, handling inquiries, and resolving complaints efficiently.
